

#### **ICT / COMPUTING SKILLS**

Higher education systems have grown exponentially in the last few decades to meet the demands of quality education for all and the last two decades has witnessed the inclusion of ICT for innovative teaching. Though it is a challenge to holistically integrate the technology in the management and delivery of learning programmes it has become absolutely necessary. It significantly contributes to good quality education and leads to improved student learning and better teaching methods. The introduction of ICT in the college has had profound implications in the teaching process especially in dealing with key issues of access, equity, management, efficiency, pedagogy and quality. Every faculty is provided with a Samsung Tab and the class rooms have the necessary ICT required infrastructure for optimal usage of the ICT tools.

#### DATE: 03/06/2021 & 05/06/2021

# Student Development Programme – 3<sup>rd</sup> June 2020 and 5<sup>th</sup> June 2020. Objective

The ultimate goal of critically thinking is **to solve problems or make decisions**. This is achieved by mentally processing information in a clear, logical, reasoned, and reflective manner so you can understand things better.

#### Report

A two day SDP was conducted by the Department of Computer Applications on 3rd and 5th June 2020. The speaker of the Day 1 program was Mr.StephenSundaraj PMP, Deputy Manager, Chain-Sys India pvt Ltd. The presenter who himself is a source of motivation to students gave encouraging examples from his own life and inspired students to be self-motivators. He discussed the importance of positive thinking and attitude which brings optimism into life and such constructive changes can make one brighter and more successful. This program helped students to be guided by a positive mind and driven by self-motivation. A total of 60 students and 8 staff from the BCA Department attended this program.

The speaker of the Day 2 program was Mr.Anbu Joel, Data Science Trainer, 360 DigiTMG. Mr. Anbu Joel briefed the students about Data-Driven World. Competing in a data driven world, how good we are to deal with data was his standpoint. Data Analysis, Data Analytics, Data Analytics Approach and Analysis v/s Analytics were discussed. A total of 60 students and 8 staff from the IT Department attended this program.

#### Report

Mr.Raghul Shivakumar Director of Shiv Prema Project consultant trained students on the methods and steps in 3D Printing 150 students were registered and benefitted.

#### The five benefits of 3D printing were identified by the participants

- Advance time-to-market turnaround. Consumers want products that work for their lifestyle.
- Save on tooling costs with on-demand 3D printing. ...
- Reduce waste with additive manufacturing. ...
- Improve lives, one customized part at a time. ...
- Save weight with complex part designs.

Report

The Department of Computer Applications in association with Patrician IIC conducted the webinar on "Emerging Trends on IOT using LPWAN Technology" for II BCA Students on 17<sup>th</sup> March 2021.

The Resource Person Mr Arvind Balajidelivered his presentation on "Emerging Trends on IOT using LPWAN Technology". He also highlighted his points on IoT Contributions and the Era of Digitized Objects. He discussed the importance of other prominent digital technologies apart from IoT like Artificial Intelligence, Blockchain etc as a tool for fight against this pandemic. He stressed on the point that everything is becoming automated, accelerated and augmented and in the near future objects will communicate more often than now.

Lastly he explained about additional IOT device capabilities like the advantages of using robots and drones in this vulnerable situation. OP

The session was very much informative. The discussed areas were of great benefit for the participants as the topic was very much relevant with the current scenario and working domain. Participants were enlightened with the most widely used advance technologies in this domain. The webinar ended with Questionnaire session followed by vote of thanks. Feedback for the session was also collected.

#### **ABOUT THE COURSE:**

Ethical Hacking Certification training course provides you the hands on training to master the techniques hackers use to penetrate network system and fortify your system against it. The course include learning how to program, use the internet, good at solving problems, and taking advantage of existing security tools. From this course the students gain knowledge on type of Security Testing used to uncover vulnerabilities, threats and risks that an attacker could exploit in software applications, networks or web applications.

This Course will give knowledge about ample security options, network administrators to map their networks, the program can be used to find live hosts on a network, perform port scanning, ping sweeps, OS detection, aversion detection and ways to avoid exploitation of computer system and networks .

Patrician College of Arts and Science, established in 2001, is a Christian minority co-educational self-financing institution affiliated to the University of Madras. It was instituted by the Brothers of St. Patrick, a congregation established by Bishop Daniel Delany on 2nd February 1808, in Ireland. With a noble spirit to serve humanity, the Patrician Brothers stepped into the vocation of educating the youth to free them from the bonds of ignorance. With their exceptional skill in leadership, governance and the strong hand of the Almighty, the congregation has established schools & colleges throughout the world. In consonance with the philosophy of Brothers' congregation, the college aims at providing quality education to the youth of today with utmost sincerity.

To facilitate this, the management has been keen in building the faculty with qualified teachers, pooling in resources from different platforms, and installing state of- the art infrastructural facilities. Moreover, they back up students with a number of support services on and off campus. Along with curricular and co-curricular activities, they constantly insist that a sense of social conscience has to be instilled in the minds of students. In view of this, several outreach programmes are conducted wherein students enthusiastically participate and do a better service.

## TAMILNADU ADVANCED TECHNICAL TRAINING INSTITUTE (TATTI)

An ISO 9001:2015 Certified Institution, TATTI was established in the year 1985 to assist and implement futuristic careers to students and offering tailor-made programs for students to carry through in their desired domain.

At, TATTI we express a strong desire to molding students into strong independent individuals and guide them to tackle the industrial requirements as per today's need and also to implement and adapt to the latest technologies in today's world.

TATTI boasts of expertise trainers, educationalists' and industrial leaders on its team who offer their first-hand experiences along with interactive training. #### SAMPLE CERTIFICATES:

Scanned with CamScanner

## **LEARNING OUTCOMES:**

- Learn animation fundamentals.
- Understand how animation works

#### 2021 TO CTDIV

Class	III BSC CS
No. of Students	46
Course Name	Big Data
Total Hrs	30 Hrs (1 Hr per day + Saturday 3 Hrs)
Agency Name	NSIC
Amount Quoted	Per Student=295 (Including GST)
Proposed Date	29-03-2021 to 30-04-2021

NSIC Technical Services Centre,

CHENNAI Topic: Big Data (Skill Development Training)

About the Course:

The Big Data certificate course is offered by NSIC Technical Service Centre, Chennai. The course is taken by Dr.Karthic Narayanan R, he is well knowledge in Big Data Concepts and he has 8 years experience in this field. He has covered the Introduction to Big Data, Characteristics of Big Data till Real Time Analysis. The topics are helpful to the students to know about the Big Data and it was created awareness to the students about this course.
