

QUALIFICATION ENHANCEMENT

Letter from Director and Secretary to Faculty Requiring Qualification Enhancement

Dear Faculty

Greetings!

Sub : Intimation relating to Qualification requirement - reg

The communication from the University of Madras dt. 18.06.2019 related to the qualification requirement for a teacher in the college is Ph.D/NET/SET and the same is now communicated to you.

From your service record it is found that you are not qualified to hold the position of a teacher in college at present. However considering your contribution to the college, the management would like to encourage you and give you one year period time to qualify yourself by clearing NET/SET or completing Ph.D as per the requirement within the academic year 2020-2021, failing which the management will not be in a position to continue your service in college from the academic year 2021-2022.

As the NET/SET exam is fast approaching you are advised to put in hard work and clear the exam. Those in the process of Ph.D are advised to focus and complete your doctoral study within the stipulated time.

We wish you all the best.

Regards

Bro.Johnson Rex Dhanabal

Director and Secretary

Review of the Qualification Enhancement Status by Academic Director

Patrician College of Arts and Science

Faculty Mentoring on Qualification Enhancement - 29.03.2021
